System

RAM Manufactures 2 types of Plastic Laptop Computer Trays. Tray A has a unique spring loaded feature that gently clamps the sides of the computer with rubber coated legs while applying downward pressure to hold it secure. The adjustable side legs will fit any brand or model of laptop computer. Tray B is a 10" X 13 1/2" plastic tray that uses Velcro pads & a safety strap to hold the computer secure. Either tray will fit any RAM Mount with a 1 1/2" ball or Swing Arm System as shown above.

- A) R-A-M Universal Laptop Tray W/ Spring Loaded Rubber Coated Hold Down Side Locks Item RAM-234-3 Weight 2.70 lbs.
- B) R-A-M 10" X 13 1/2" Plastic Laptop Tray W/ Velcro Pads & One Wrap Safety Strap Item RAM-234-1 Weight 1.16 lbs.
- C) R-A-M Pedestal Mounting System W/ Base, 6" Pipe & 1 1/2" Ball Mount (tray not included) Item RAM-134-90 Weight 2.9 lbs.
